

Sann

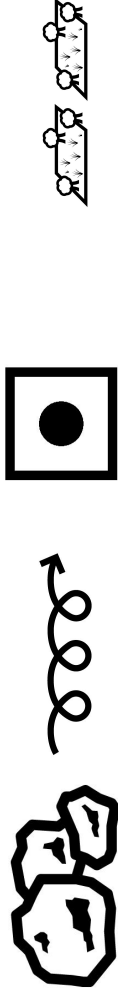

Il était une fois un village.

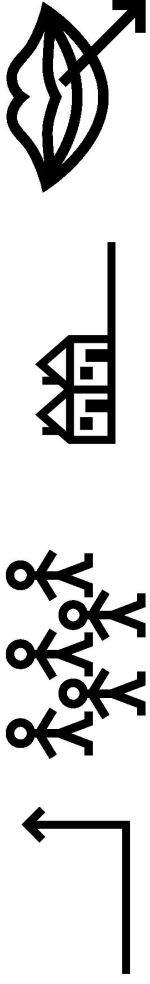

Il y avait trois montagnes très hautes près du village.

Une nuit, l'orage abîma les montagnes.

Des pierres roulèrent dans les champs.

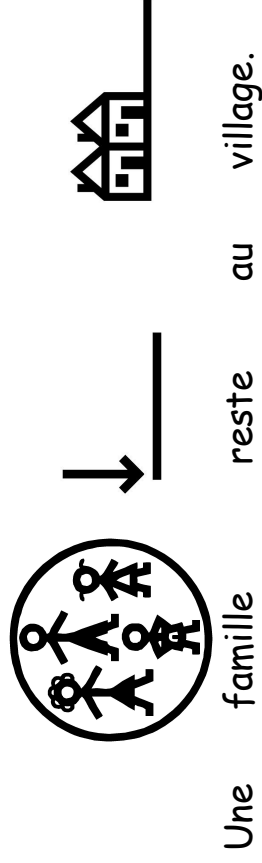

Les vieilles personnes du village discutèrent.

Les vieilles personnes décidèrent de partir habiter ailleurs.

Les habitants du village disent au revoir et partent.

Une famille reste au village.

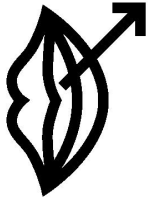

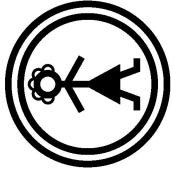

Trois jours après l'orage, la dame a un bébé.

C' est un garçon.

Le garçon sourit.

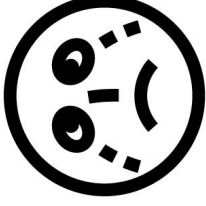

La grand-mère

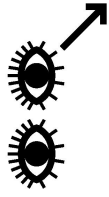

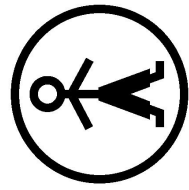

dit :

"Un bébé

pleure.

C'est mauvais signe, un bébé qui sourit."

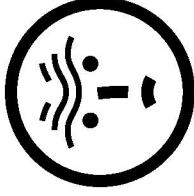

Le père

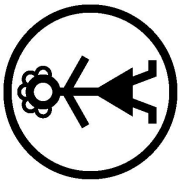

regarde le

bébé

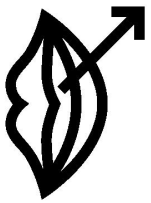

avec

inquiétude.

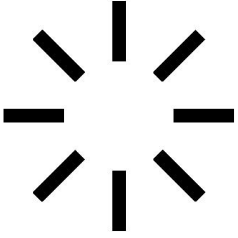

La mère

dit :

très beau

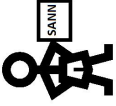

bébé.

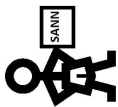

Le bébé s'appellera

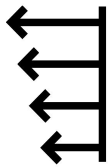

Le bébé

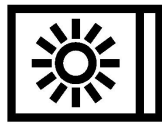

Sann."

Sann

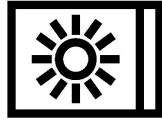

grandit.

Chaque

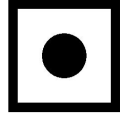

Sann

jour,

va

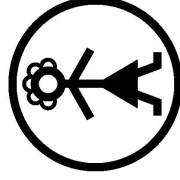

dans

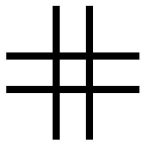

les champs

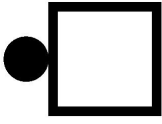

avec

maman.

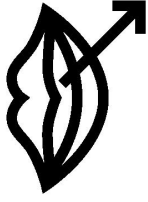

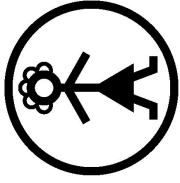

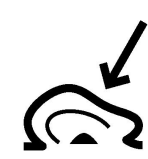

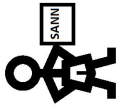

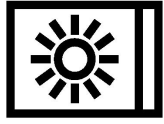

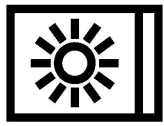

La route est difficile.

La route

pass

par dessus la montagne.

Chaque

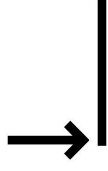

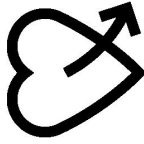

jour,

Sann

entend

maman

soupirer :

"Je

voudrais

que la montagne

ne soit

plus

là."

**A A**

Sann

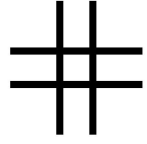

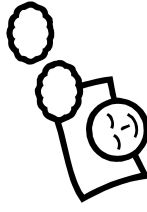

a

six

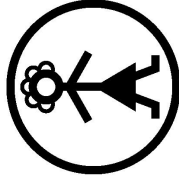

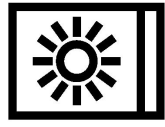

ans.

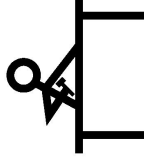

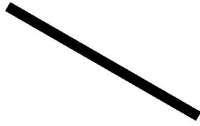

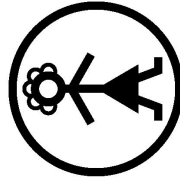

Maman offre à Sann un gros oreiller en forme de dragon.

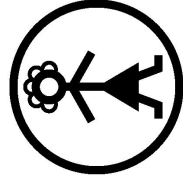

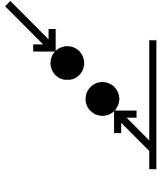

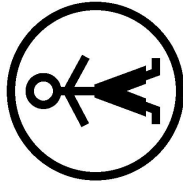

Cette nuit-là, Sann fait un rêve étrange.

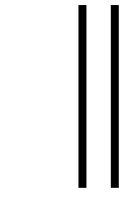

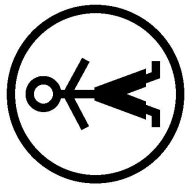

Un jour, la mère de Sann se trouve si épuisée,

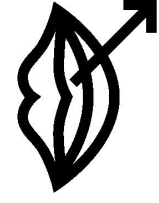

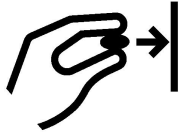

qu'elle ne peut pas aller travailler au champ.

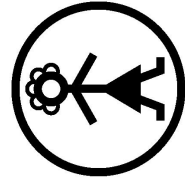

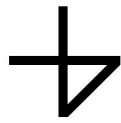

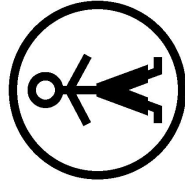

Le père s'assoit à côté d'elle.

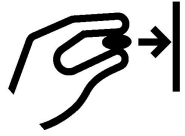

Le père est lui aussi épuisé.

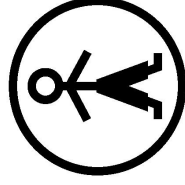

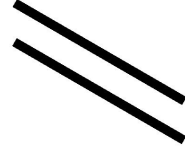

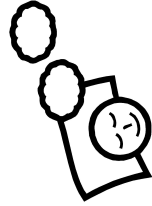

"Je vais mettre la montagne ailleurs" s'écrie Sann.

Son père et sa mère ne l'entendent pas.

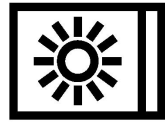

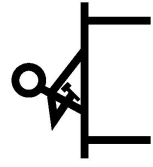

"Je vais mettre la montagne ailleurs!" crie Sann.

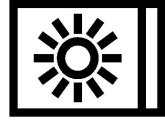

"Tu rêves, mon garçon, ce n'est pas possible" dit son père.

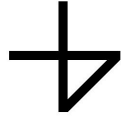

"Je vais travailler

tous les

jours.

Et

je

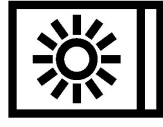

réussirai"

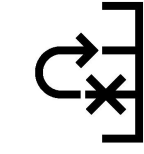

Sann.

dit

Le jour

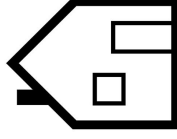

suivant,

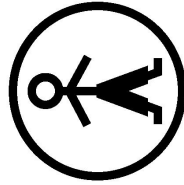

Sann

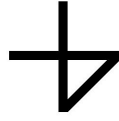

part de la

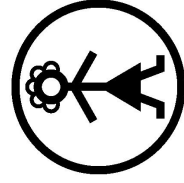

maison.

Papa

et

maman

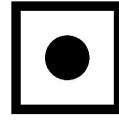

dorment.

Sann

va

dans

la montagne.

Sann

prend

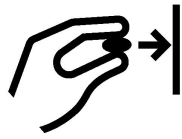

les cailloux.

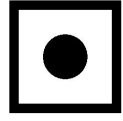

Sann

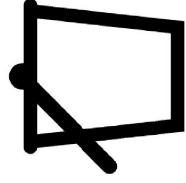

met

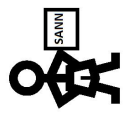

les cailloux

dans

un seau.

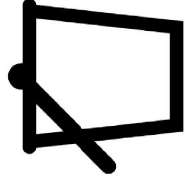

Sann

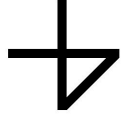

marche

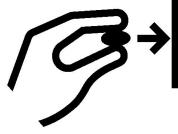

avec

le seau

et

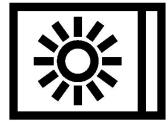

pose

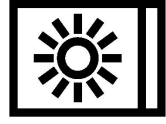

les cailloux

loin.

Jour

jour,

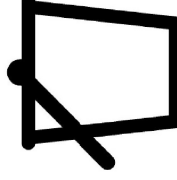

Sann

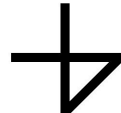

marche

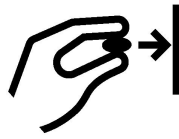

avec

le seau

et

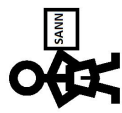

pose

les cailloux

loin.

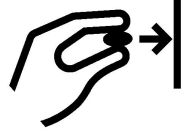

Sann

pense :

Je

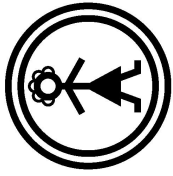

Mets

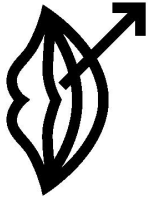

la montagne

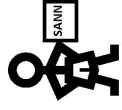

ailleurs.

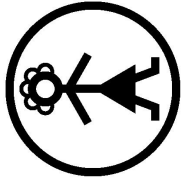

Grand-mère

se lamenter :

"Sann

Maman

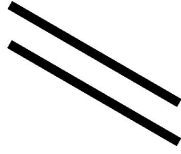

répond :

"Mon

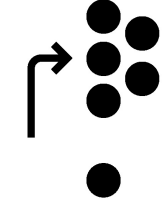

garçon

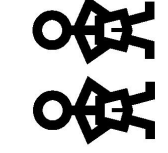

pas

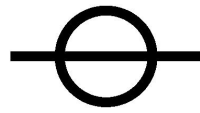

pareil

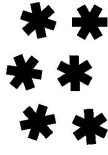

autres

garçons."

Maintenant

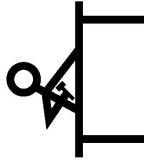

la neige

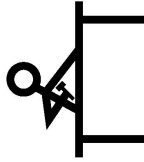

là.

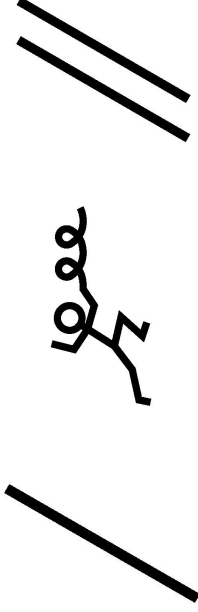

Sann

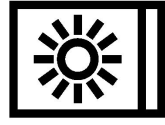

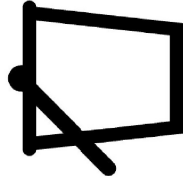

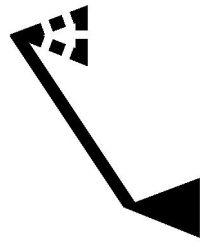

travaille,

travaille.

ne réussira jamais."

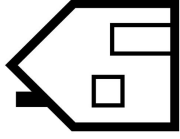

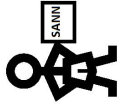

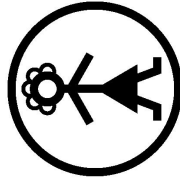

Un jour, le seau est trop lourd.

Sann

tombe.

Maman

aide

Sann

à rentrer

à la maison.

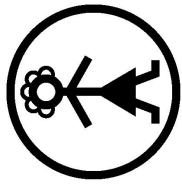

Sann

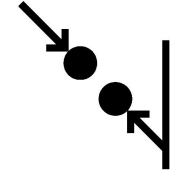

est fatigué,

Sann

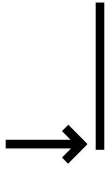

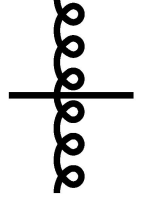

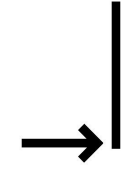

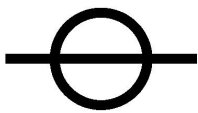

s'endort.

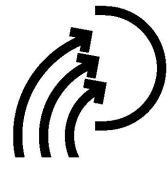

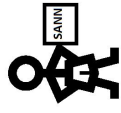

Maman

reste à côté de Sann.

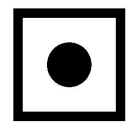

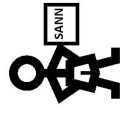

Maintenant, le soleil est là et la montagne est toujours là.

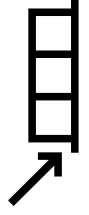

Sann

prend encore des cailloux.

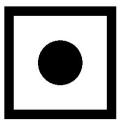

Sann

trouve une petite grotte dans la montagne.

Dans la petite grotte, il y a des champignons.

Dans

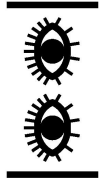

la petite

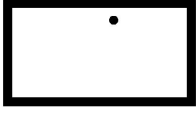

grotte,

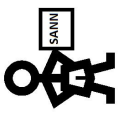

Sann

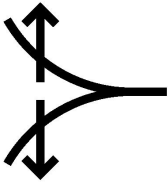

voit une

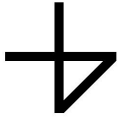

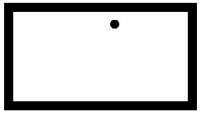

porte.

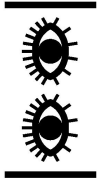

Sann

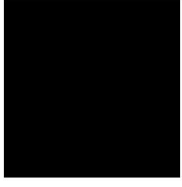

ouvre la porte

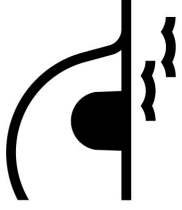

et

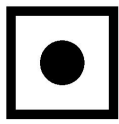

voit une

grande

grotte.

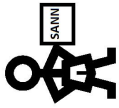

Dans

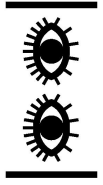

la grande

grotte,

Sann

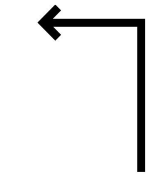

découvre un

vieil

homme.

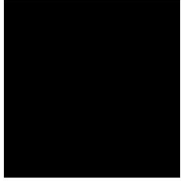

Le vieil

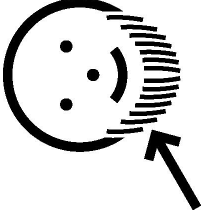

homme

a une

longue

barbe

blanche.

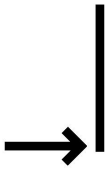

"Que

fais-

tu

ici ?"

demande

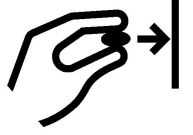

le

vieil homme.

"Je

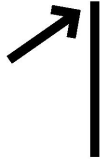

mets

la montagne

ailleurs"

Sann.

répond

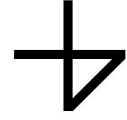

homme

réfléchit

et

dit :

"Bois

ce

thé

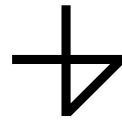

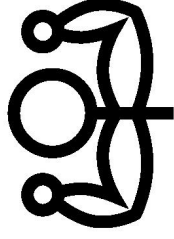

de champignons.

Tu

seras

plus fort.

Et

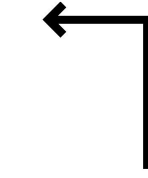

reviens

demain."

Sann travaille encore.

Le vieil

homme

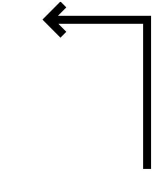

marche

avec

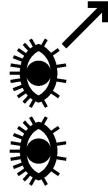

Sann.

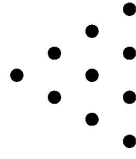

Le vieil

homme

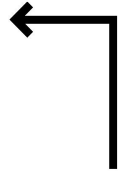

regarde

l'immense

tas de cailloux.

Le vieil

homme

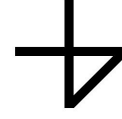

choisit

3

trois cailloux

et

prend

les cailloux.

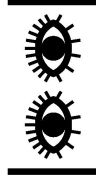

Le lendemain,

Sann

retourne

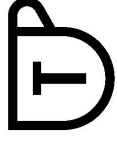

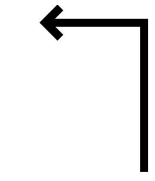

voir

le vieil

homme.

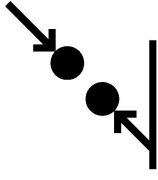

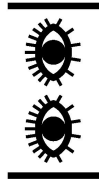

Le vieil

homme

donne

encore du

thé à Sann.

Sann

voit

les

trois

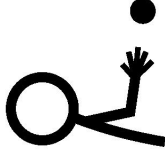

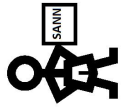

cailloux

près

du

vieil

homme.

Sann

demande :

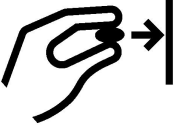

"Toi

aussi,

tu

prends

les cailloux ?

Tu

vas m'

aider ?

Tu

vas

mettre

la montagne ailleurs ?"

"Trois

cailloux, c'est

bien"

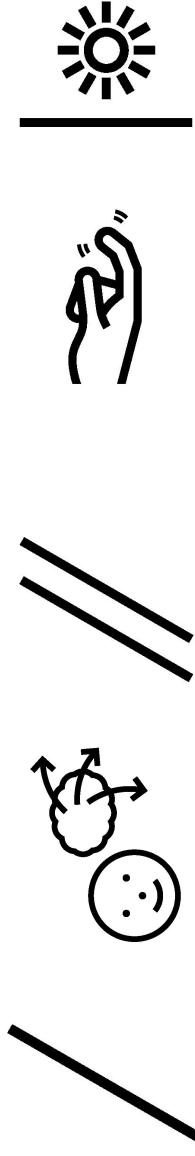

répond

le

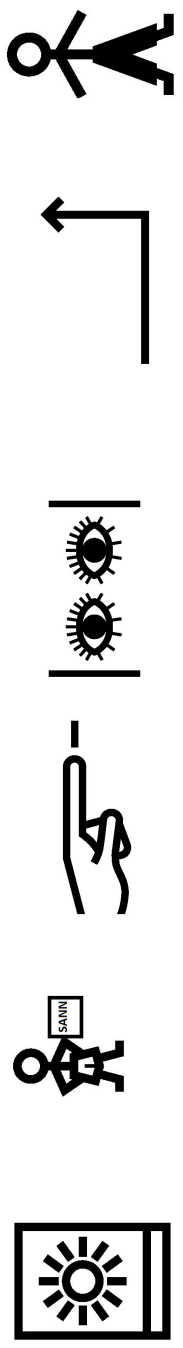

vieil

homme.

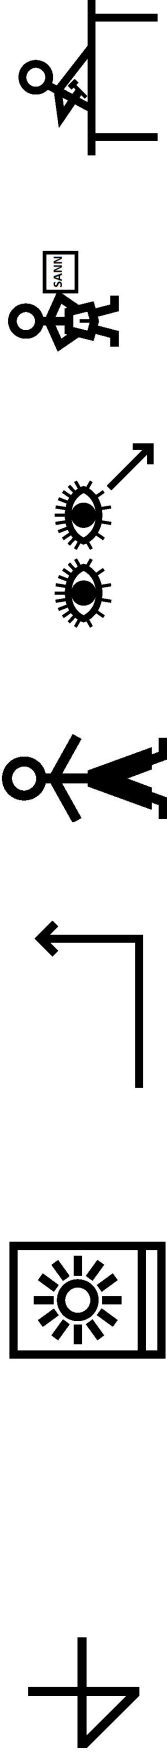

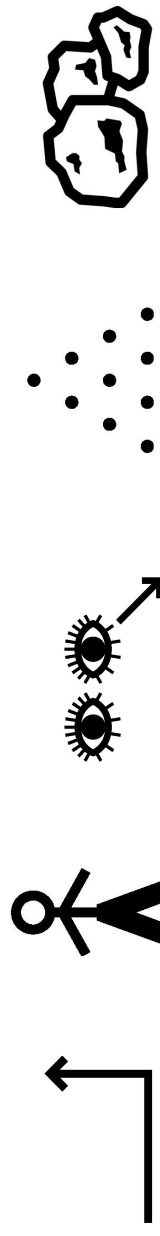

"N" oublie pas de venir demain."

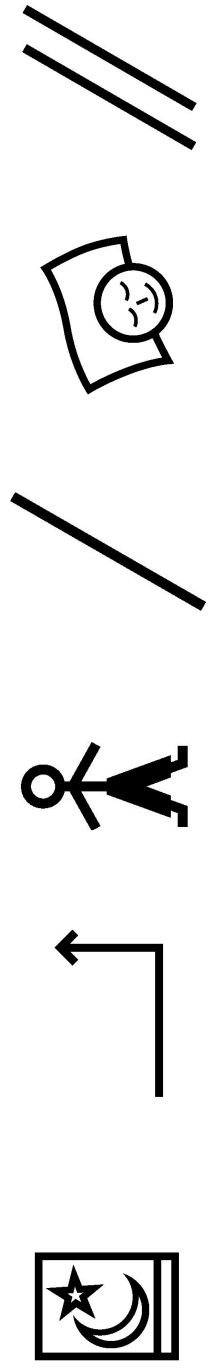

Chaque jour, Sann rend visite au vieil homme.

Et chaque jour, le vieil homme regarde Sann travailler.

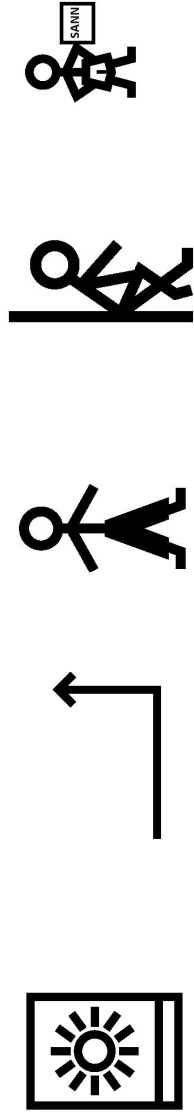

Le vieil homme regarde l'immense tas de cailloux.

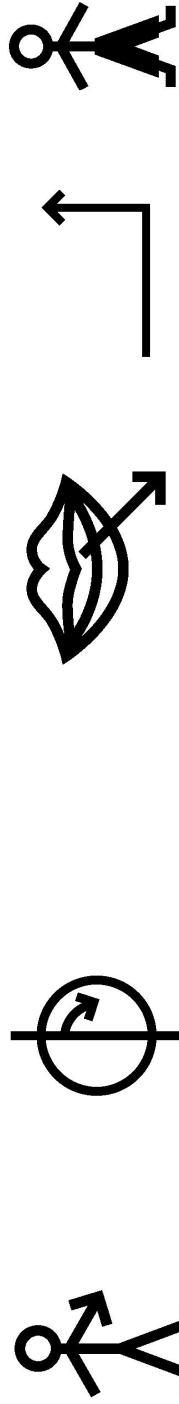

Une nuit, le vieil homme dort pas.

Le vieil homme pense, pense.

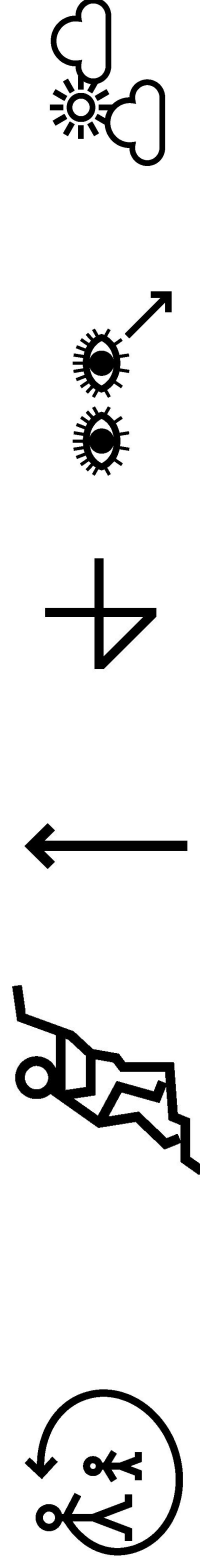

Le jour, le vieil homme attend Sann.

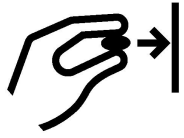

"Tu es en retard" dit le vieil homme.

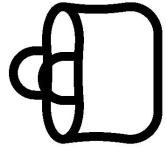

"Aujourd'hui, c'est la dernière lune.

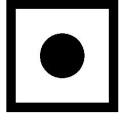

Nous devons grimper en haut et regarder le ciel.

Mets

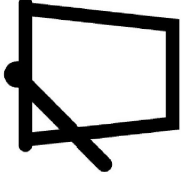

ce sac

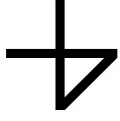

dans

ton

seau

et

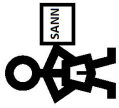

viens

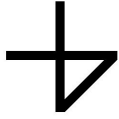

avec

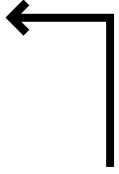

moi."

Sann

et

le

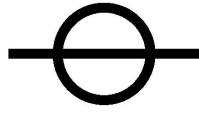

homme

marchent,

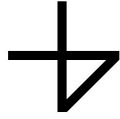

marchent.

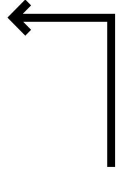

Maintenant, c'est la nuit.

Sann

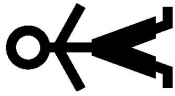

et

le

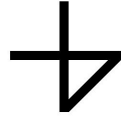

homme

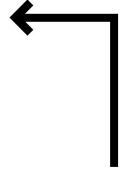

sont en haut.

Sann

et

le

homme

regardent

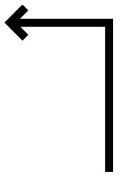

les

**3**

trois montagnes.

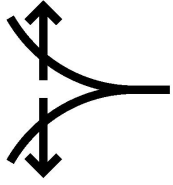

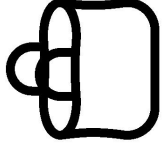

Le vieil

homme

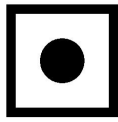

ouvre son

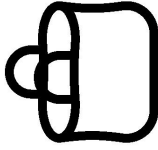

sac

rouge.

Dans son

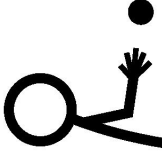

sac,

le vieil

homme

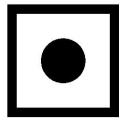

prend

3

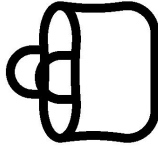

les trois

cailloux.

Dans son

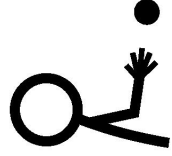

sac,

le vieil

homme

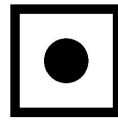

prend

3

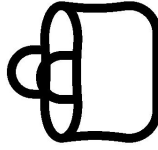

trois

champignons.

Dans son

sac,

le vieil

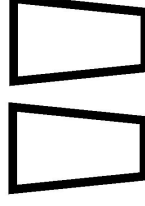

homme

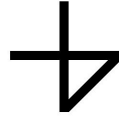

prend

3

trois

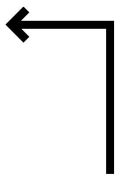

verres

et du

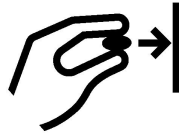

vin.

Le vieil

homme

met

le

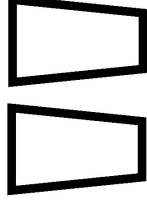

vin

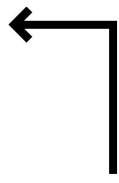

dans

les

verres.

Le vieil

homme

jette

un

verre

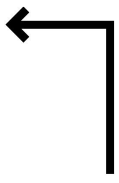

dans

le

ciel.

Le vieil

homme

jette

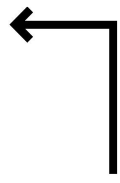

un

verre

par terre.

Le vieil

homme

jette

un

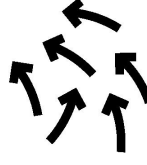

verre

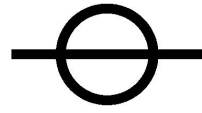

dans

le

vent.

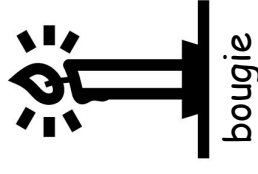

"Maintenant,

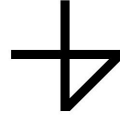

prends

la

bougie

et

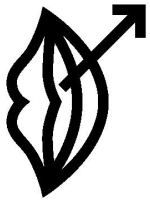

pense

au

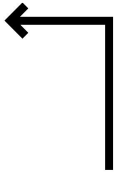

ciel"

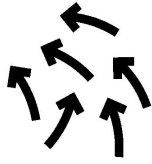

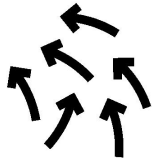

dit le

homme.

vieil

Il y a du vent, du vent.

Le ciel devient noir.

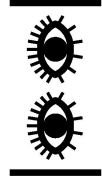

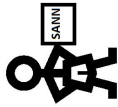

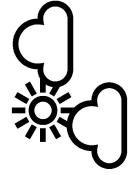

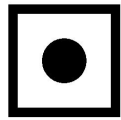

3

Soudain, il y a trois éclairs

dans le

ciel.

3

Dans le ciel

noir,

Sann

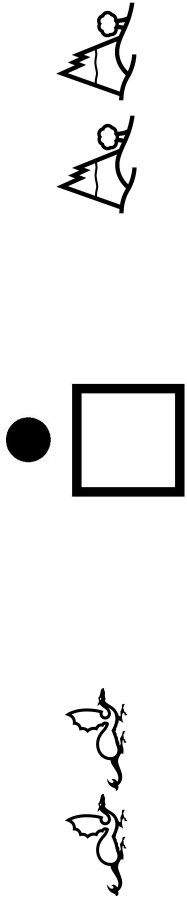

voit

trois

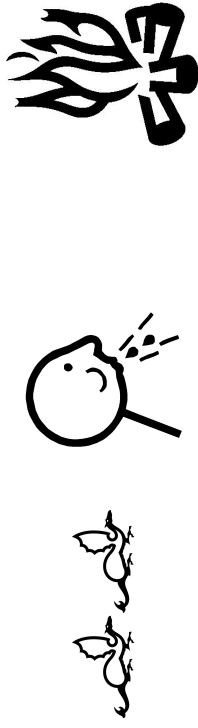

immenses

dragons

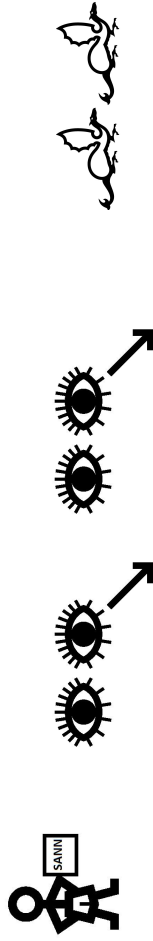

blancs.

Les dragons sont au-dessus des montagnes.

Les dragons crachent du feu.

Sann regarde, regarde les dragons.

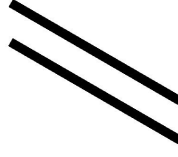

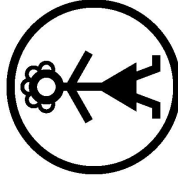

Soudain, les trois dragons prennent les trois montagnes.

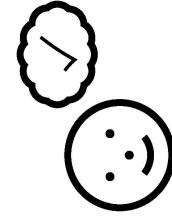

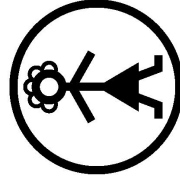

Les trois dragons mettent les trois montagnes loin.

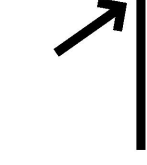

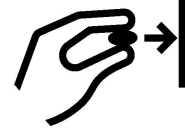

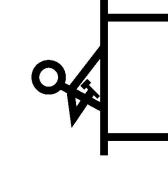

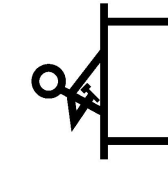

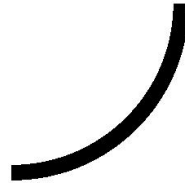

Maintenant, tout est calme.

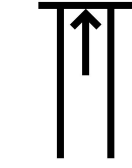

Dans la maison, la mère de Sann n'a pas dormi de la nuit.

La mère de Sann sait que les dragons sont venus aider Sann

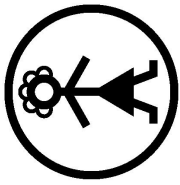

car Sann a travaillé, travaillé pour mettre la montagne ailleurs.

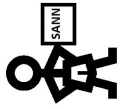

La nuit est finie.

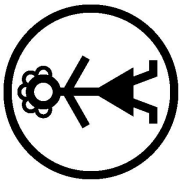

La mère de Sann

prépare un bon repas.

La mère de Sann

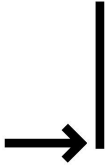

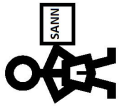

attend

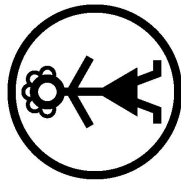

Sann

dehors.

Sann est là.

La mère de Sann

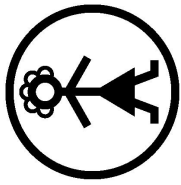

serre

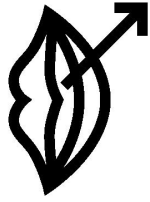

Sann

dans ses bras.

La mère de Sann

dit :

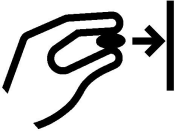

"Mon

garçon,

tu

as mis

la montagne

ailleurs."
