

Sous

les étoiles...

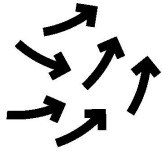

la terre

Au gré

du

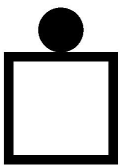

vent...

vole...

un papillon.

Sur

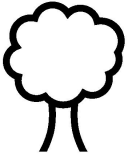

la

colline...

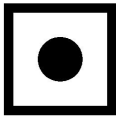

pousse...

un arbre.

Haut

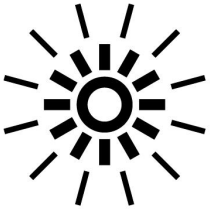

dans

le

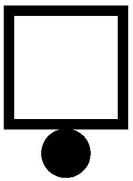

ciel...

brille...

le soleil.

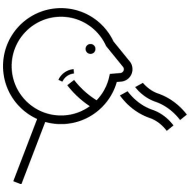

Sous

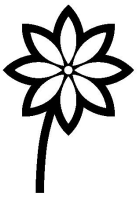

le

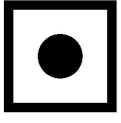

soleil...

embaume...

une fleur.

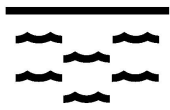

Dans l'orage...

passe...

un nuage.

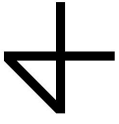

Au fil de l'eau...

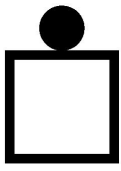

vogue...

un poisson.

Et

sur

la

terre...

vient...

un enfant.
