

L' attente

5

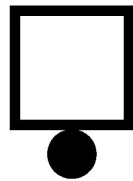

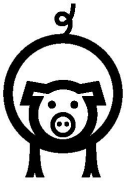

Ils étaient cinq amis.

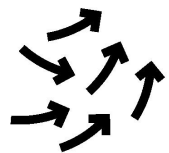

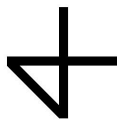

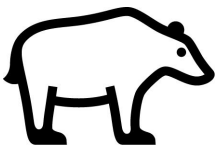

Et ils attendaient...

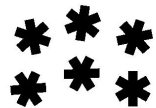

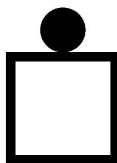

La chouette à pois attendait la lune

Le petit cochon sous son parapluie attendait la pluie.

L' ourson et son cerf-volant attendaient le vent.

Le chiot sur sa luge attendait la neige.

Le lapin étoilé

n'

attendait

rien

de

spécial.

Il

aimait

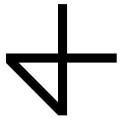

juste

regarder

par la

fenêtre

et

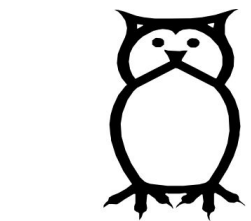

attendre.

Quand la

lune

se montrait,

la chouette

était

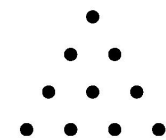

contente.

Cela

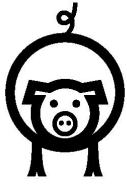

arrivait

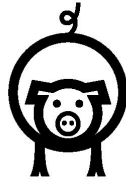

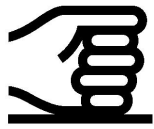

souvent.

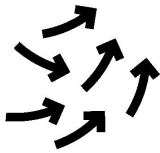

Quand la pluie tombait,

le petit cochon était content.

Son parapluie protégeait le petit cochon.

Quand le vent soufflait,

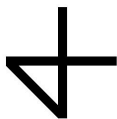

l'ourson était content.

Son cerf-volant volait

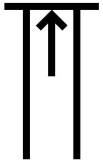

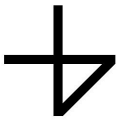

haut

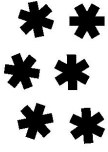

et

loin.

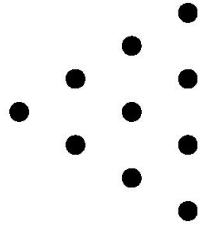

Et quand enfin

il se mettait à neiger,

le chiot était content.

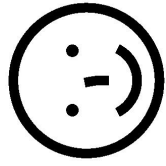

Il avait attendu

très

longtemps.

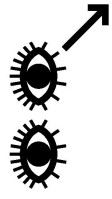

Le lapin

était

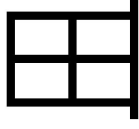

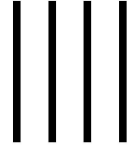

content

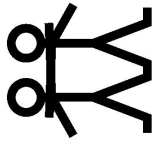

à regarder

tout simplement

par la fenêtre.

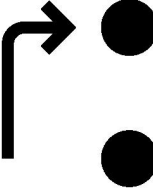

Parfois,

l'un

ou

l'autre

des amis

s'en allait,

mais

il

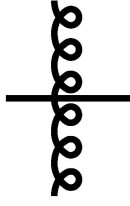

ou

elle

revenait

toujours.

Parfois,

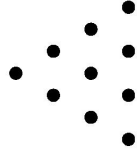

ils

dormaient.

Mais

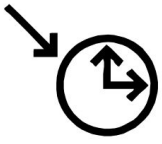

le plus souvent

ils

attendaient.

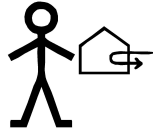

Parfois

des

petits

cadeaux

apparaissaient.

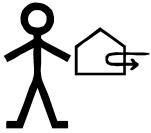

Une fois même

un

visiteur

arriva

de loin.

Il

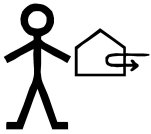

resta

un

moment,

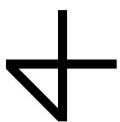

puis

il

partit

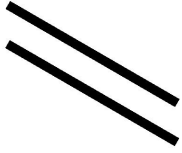

et

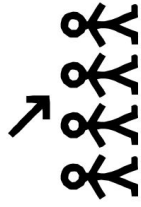

ne

revint

jamais.

Ils

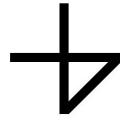

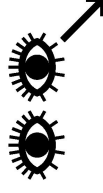

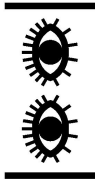

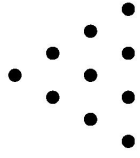

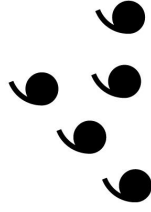

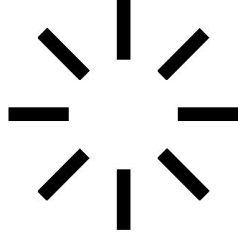

voyaient

beaucoup

de choses

merveilleuses,

intéressantes...

Et, bien-sûr,

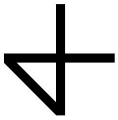

il y avait

toujours

la lune

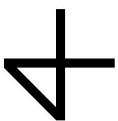

et

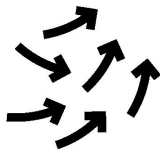

la

pluie

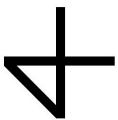

et

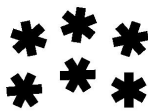

le

vent

et

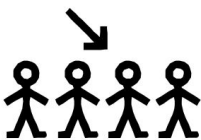

la

neige

pour

qu'

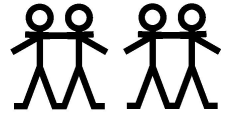

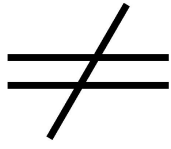

ils

soient

tout à fait contents.

Un jour, un drôle de chat rejoignit les amis.

Attendait -il la lune ?

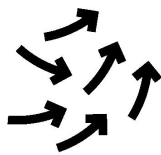

Non.

Attendait -il la pluie ?

Non.

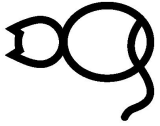

Attendait -il le vent ?

Non.

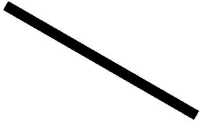

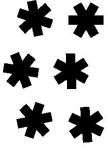

Attendait

-il

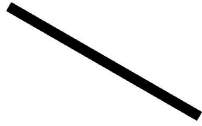

la neige ?

Non.

Il

n'

avait

pas

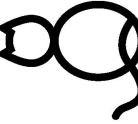

l'air d'

attendre

quelque chose

de spécial -

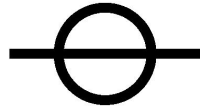

Oh !

mais

si !

Maintenant,

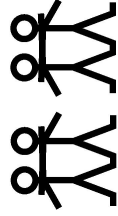

ils

étaient

dix

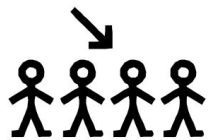

amis.

10

Et

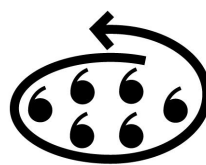

ils

étaient

contents

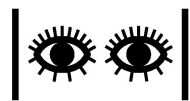

tous

ensemble,

à attendre

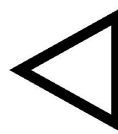

de

voir

ce qui

pourrait

bien

arriver.
