Poulette vient d'avoir son premier oeuf.

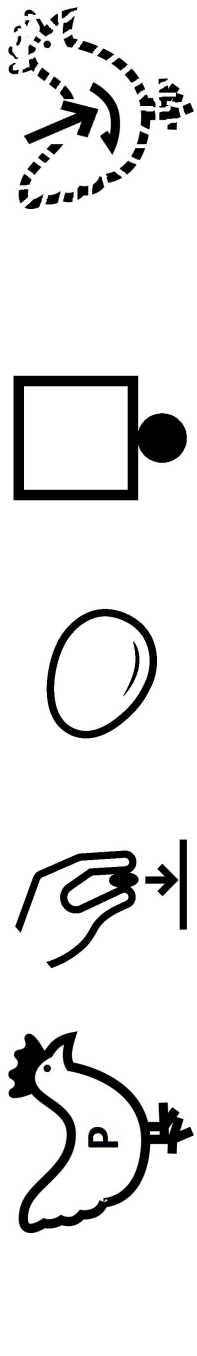

Quel bonheur, quelle joie!

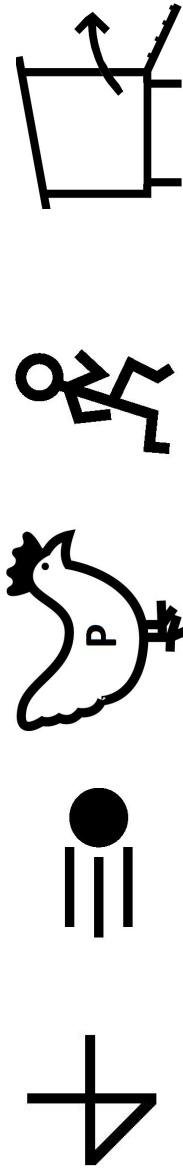

Le premier oeuf de Pâques

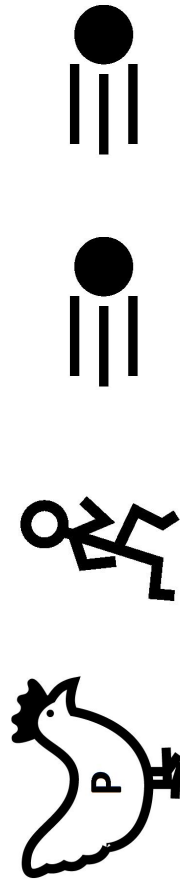

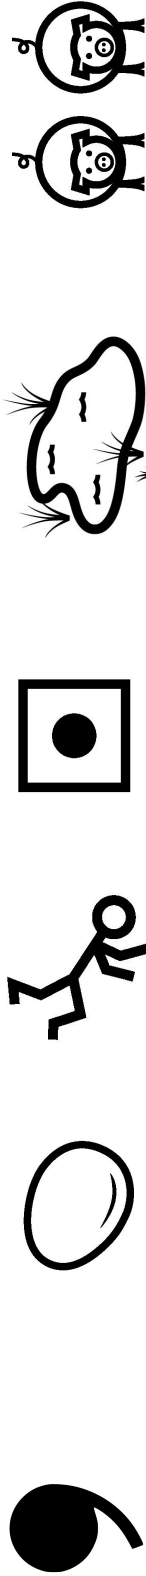

Zou, Poulette glisse l'oeuf sous son aile.

Poulette

vite,

vite...

Poulette

court

en haut

de la montagne.

En haut

de la montagne,

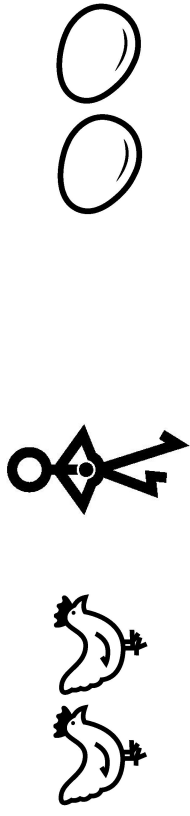

il y a

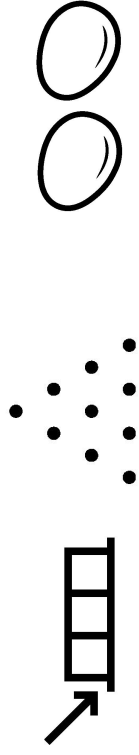

la fête

aux oeufs.

Les poules apportent leurs oeufs.

Il y a beaucoup d' oeufs :

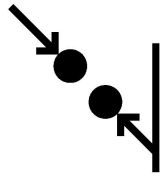

des petits oeufs, des gros oeufs,

des oeufs bleus, des oeufs jaunes, des oeufs blancs...

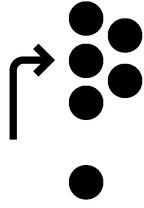

Chaque année, la reine des poules choisit le plus bel oeuf.

à côté

des

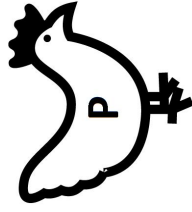

autres

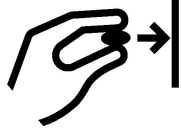

oeufs,

Poulette

pose son

oeuf,

plein de

boue

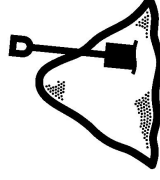

marron, d'

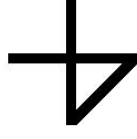

herbe

verte, de

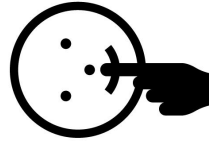

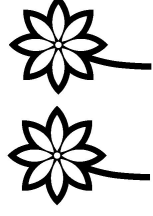

sable

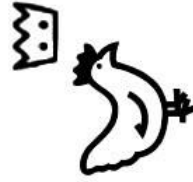

et de

fleurs.

Les poules se taisent.

La reine des poules dit :

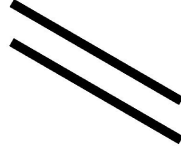

"Jusqu'ici,

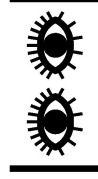

je

n'ai

jamais

vu

un

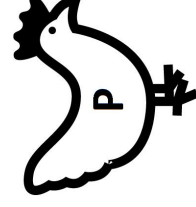

comme

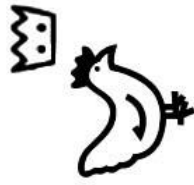

l'oeuf

de Poulette."

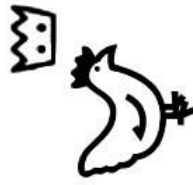

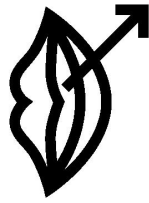

La reine des poules

réfléchit.

La reine des poules

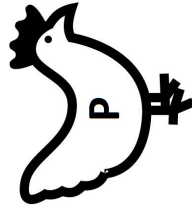

déclare :

"COCOTI, COCOTA !

L' oeuf

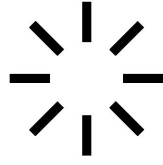

de

Poulette

est

le

plus

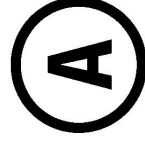

bel

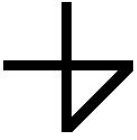

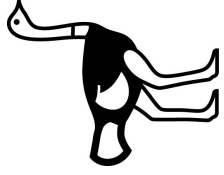

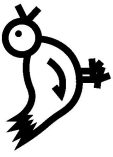

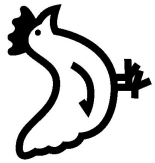

oeuf

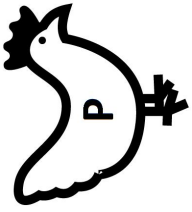

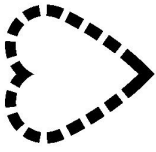

de l'

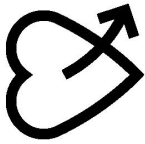

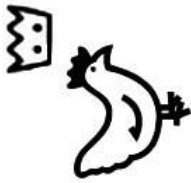

année."

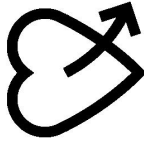

La grosse poule rousse, le rossignol, l'autruche et l'aigle applaudissent.

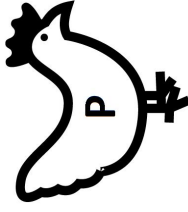

La reine des poules a beaucoup apprécié l'oeuf de Poulette.

La reine des poules a décidé :

"Je veux, que tous les ans, pour la fête des poules,

les poules apportent des oeufs comme l'oeuf de Poulette."
